Ahmed Farouk Brahimi

Cover letter

Sir/Madame,

I am a self motivated, team oriented person. I have accumulated a decent experience as a web developer, which I would love to share with your team.

I have included my resume, which details my experience as a web developer. I have both the passion and the skills required for this position.

Thank you for taking the time to review my application and I look forward to hearing from you soon.

Yours sincerely,

Ahmed Farouk Brahimi
